## I EDITION OF CMP NEWS LETTER 2022-23

### Our School:

The KV MG. Rly. Col. Campus is divided into two-Primary and Secondary. Both campuses provide a wonderfully bright, modern environment in which students can study and explore.

The school is in close proximity to prominent Majestic Railway Station and residential compounds of Railway employees.

### The facilities include:

- Modern and bright classrooms with projectors
- A well-equipped library and Science Laboratories, Medical room with a nurse
- Audio-visual rooms with LCD screens and projector
- Two Computer labs with the latest systems
- A small but beautiful garden overlooking the main road

**Introduction:** The school provides a vibrant environment with a wide range of opportunities beyond the classroom. A child's day at school is busy but fun as he or she typically juggles lessons with a variety of activities such as practice in a music ensemble, sports match and learning lines for the school play. Great importance is given to child's conduct and behaviour. School rules are few but firm and apply to pupils and staff alike. They are based on the principles of respect and consideration for others.

### **Honourable Deputy Commissioner Shri. Dharmendra Patle says:**

Learning is seen as an opportunity to practically use the skills we learn in the classrooms and to apply these in a real life-setting. It is the KVS policy to employ teachers with outstanding professional credentials. This approach helps ensure that the highest quality of teaching and learning takes place in our classrooms, particularly in the areas of language, literacy and numeracy. It is heartening to note that KV MG. Rly. Col. Has come out with the I edition of CMP newsletter incorporating all the important events and happenings there.

### **Assistant Commissioner Shri P. C Raju speaks:**

What sculpture is to block of marble, education is to the human soul- Joseph Addison  
KVS works hard to create an environment where children enjoy learning and feel safe and confident to participate. We believe that children should have fun while they are at school and that mistakes are simply learning opportunities.

"We are glad to learn that KV. MG. Railway Colony is bringing out the first CMP Newsletter highlighting the various activities of the school."

### **From the Principal's Desk:**

It is supreme art of the teacher to awaken joy in creative expression and knowledge. - Albert Einstein

A range of rich academic resources complement our fabulous and modern campus. All of this guarantees that every child in our care receives the best possible education. It has been an absolute pleasure to witness the enthusiasm, passion and determination to succeed that emanates from our staff and students everyday.

The first newsletter of our Vidyalaya reflects the CMP work and the activities conducted thereof. Our school environment facilitates creativity, excellence, technology oriented and value-based learning.

### **Welcome from the Head Teacher:**

Along with the academic progress, the child will develop into a responsible global citizen guided by our school's principles of honesty, integrity, tolerance and respect for others. Pupils are encouraged to be inquisitive and to play a part in their own development. They are challenged and given the opportunity to discover their abilities.

Our I edition of newsletter showcases the combined efforts of our teachers towards carrying on with the CMP activities in full earnestness.

Term 1 saw the initial start up of the Student Council for the current academic year. Our student council is always open to ideas. So, make sure that you speak up and make your opinion heard so that we can all work together to make the positive changes.

School Captains

This gallery gives an insight into the vibrant daily activities of the school. A vibrant assembly programme in the morning by the children of primary classes.

A fond farewell was accorded to our Primary Teacher Mrs. Geeta P Chavan on her superannuation on 30<sup>th</sup> August, 2022.

A fond farewell to Geeta P Chavan Madam

Welcome to new Principal Dr. Rudal Dubey

### Curriculum Overview:

**Child-centred-** Teaching and learning is aimed at making the most children's' curiosity and inquisitiveness. In early years learning takes place principally through guided play. Lessons are lively, fun-filled and challenging. They provide pupils with many opportunities to think critically and independently. Success in examinations follows naturally from this approach.

Colour Identification activity by I A

Vegetable printing by II B

Role Play-Neha's Alarm Clock by IV B

Learning Our helpers using flashcards

Sequencing the story using flashcards

Oral health sensitization

Toy Based Pedagogy workshop attended by teachers

Class I students receiving School Readiness Booklets

Hand Wash Day

Mass music for primary classes

Value based film show for primary classes

Flower making by III A

**COMMUNITY LUNCH** (Sprouts and vegetable salad day:)

Eat right, be bright

Eat the best, leave the rest

**CCA:** The school runs a house system. Every child belongs to one of the four houses (Aryabhata, Bhaskara, Kalpana and Rohini). Within their houses pupils take positions of responsibility, compete against other houses in sports and music and work towards common goals in a range of areas.

Mass PT by primary children    Certificates awarded for various competitions    Display board by Aryabhata House

### LET'S SALUTE THE NATION ON THIS INDEPENDENCE DAY

Say it loud, make my country proud.

**Children's corner-** The children of Class IV composed simple poems with rhyming words under the guidance of the teacher.

#### A self-composed poem by Class IV

The playground  
Children play round and round,  
The bees are buzzing near the tree  
And will you come and play with me?  
We are having lot of fun  
Under the shining sun.

The butterflies are all around,  
Come, let's play in playground.  
The playground  
Children play round and round.

**Children's Art Gallery:** Our teachers deliver lessons designed to develop creativity using a variety of media and techniques in art and craftwork. An awareness of colour, shape, balance, focus and proportion are developed alongside the use of symbols to convey idea and feelings.
